Career Services
Employer Partner Program

ECU
ECU Career Services is pleased to introduce the Employer Partner Program, which offers an opportunity for your organization to demonstrate a commitment to the development of East Carolina University® students and alumni through support of ECU Career Services. The levels at which a company or an employer may participate are simply suggestions and can be modified or adapted to an employer’s needs.

The $25,000 Level consists of a consultation meeting with the director of Career Services and the associate director of employer relations at ECU. During the consultation meeting, Career Services staff will work with the organization to identify key initiatives and develop a portfolio of customized programs, services and resources.
