EXPERIENCE

D.R. Horton, Inc, Raleigh, NC

May - August 2020

Summer Intern

- Assisted the Construction manager and superintendents with scheduling and on-site supervision
- Helped ensure on-site safety as well as compliance with all company policies and procedures
- Provided basic administration support, assisted supervisors as directed, and helped with special projects on an as-needed basis
- Acquired knowledge regarding estimation of costs, soliciting bids, and creating schedules to serve customers and increase the goodwill and profit of the company

Meritage Homes Corporation, Morrisville, NC

Dec 2019 - Mar 2020

Construction Management Intern

- Collaborated closely with internal business leaders to learn the homebuilding industry, the Meritage business model and an assigned functional area regarding construction, land, and operations
- Participated in cross-functional projects with other interns in addition to business leaders centered around current business challenges
- Presented real world business recommendations to senior leadership to help drive strategy as well as a paper focusing on the intern experience with the company

Equipment Plus Total Facility Solutions, Greenville, NC

August 2018 – June 2019

Construction Crewman

- Executed work in carpentry, electrical, plumbing and refrigeration in addition to diagnosing and repairing issues with equipment or projects
- Ensured all projects were delivered and documented on time, all while not exceeding project budgets
- Assisted in the repair and installation of all equipment utilized in commercial restaurants, cafeterias, and specialty equipment facilities in eastern North Carolina
